Subject Index: Volume V, 1977

- Acupuncture:**
- and drug addiction, 27
 - and enkephalin, 25
 - effect of upon tissue oxygenation of the rat brain, 147
 - for relief of experimentally-induced pain, 281
 - in bronchial asthma, 265
 - musculoskeletal changes following, 79
 - of scalp in China, 101
 - patient questionnaire regarding effectiveness of, 52
 - therapeutic effect for chronic pain, 45
 - treatise on, 199
 - use in detoxification of heroin addicts, 257
 - use in treatment of schizophrenia, 181
 - use of in psychiatry, 85
 - use of to treat cluster headache, 91
 - use of to treat peripheral nerve paralysis, 95
 - use of to treat hypertension, 39
- Acupuncture anesthesia:**
- advantages/disadvantages, 309
 - effectiveness, 303
 - in China, 185
 - methods for, 301
 - use of for normal labor and delivery, 63
- Acupuncture loci (or points):**
- impedance between H-3 and H-4, 289
 - specific role in therapeutics, 177
- Alchemy, Chinese, 233**
- American ginseng, 135**
- Appropriate Health Resources and Technologies Action Group, brief report, 189**
- Auricular electrical pulsating therapy (AEPT), 276**
- Auricular points:**
- injection of with lidocaine to treat insomnia, 71
- Berberine:**
- effect of upon bilirubin excretion in the rat, 161
- Bilirubin excretion:**
- effect of berberine upon, 161
- Bilirubin metabolism:**
- actions of *Fructus gardeniae* upon, 161
- Bleeding and blood-clotting:**
- effects of Yunnan Bai Yao upon, 156
- Blood platelets:**
- effects of Yunnan Bai Yao upon, 169
- Book reviews, 193**
- Bronchial asthma:**
- acupuncture in, 265
- Chemical constituents of ginseng plants, 123**
- Childbirth:**
- and acupuncture anesthesia, 63
- Child care in New China, 297**
- Chinese alchemy, 233**
- Chinese herbal medicine:**
- development of, 117
- Chinese medical-pharmaceutical thought:**
- development of, 109, 211
- Chronic pain:**
- therapeutic effect of acupuncture for, 45
- Cluster headache:**
- use of acupuncture in treatment of, 91
- Dental pain:**
- and acupuncture, 284
- Detoxification of heroin addicts by acupuncture and electrical stimulation in combination with naloxone, 257**
- Drug addiction:**
- enkephalin and acupuncture in, 25
- Electrical stimulation to the auricles of psychiatric patients, 275**
- Enkephalin:**
- and acupuncture, 25
 - and pain, 28
- Fructus gardeniae* extract:**
- effects upon hepatic function, 241
- Headache, cluster:**
- use of acupuncture in treatment of, 91
- Gardenia jasminoides* seeds:**

INDEX, VOLUMES V, VI AND VII

- properties of extracts from, 31
- Ginseng:
 - economic botany of, 3
 - preparation of, 15
 - summary of plant species used in combination with, 20
 - use of in China, 7
- Ginseng plants:
 - chemical constituents of, 123
- Ginseng saponins and sapogenins, 127
- Hemostatic effects of Yunnan Bai Yao in rats and rabbits, 155
- Hepatic function:
 - effects of *Fructus gardeniae* extract upon, 241
- Herbal medicine:
 - development of in China, 117
- Herbal remedies, 118
- Heroin addicts:
 - fast detoxification of by acupuncture and electrical stimulation in combination with naloxone, 257
- Himalayan ginseng, 139
- Hypertension:
 - treatment with acupuncture, 39
- Hypotensive action:
 - of *Gardenia jasminoides* seeds, 31
 - of other Chinese medical herbs, 35
- Insomnia:
 - treatment of using lidocaine, 71
- Japanese ginseng, 137
- Laplace plane analysis:
 - of impedance between acupuncture points H-3 and H-4, 289
- Letters to the editor, 191
- Lidocaine:
 - use of in treatment of insomnia, 71
- Loci, acupuncture:
 - specific role in therapeutics, 177
- Medical-pharmaceutical thought:
 - development of in China, 109, 211
- Musculoskeletal changes immediately following acupuncture, 79
- Naloxone, 257
- Nerve paralysis, peripheral:
 - use of acupuncture to treat, 95
- Neuroses:
 - treatment of with electro-acupuncture, 86
- Pain:
 - natural inhibition of in the central nervous system, 28
 - therapeutic effect of acupuncture upon, 45
- Pain, experimentally-induced:
 - relief by stimulation of acupuncture loci, 281
- Panax ginseng*, 127
- Pen-ching*, 212
- Pen-ts'ao*, 111, 117, 211
- Peripheral nerve paralysis:
 - use of acupuncture to treat, 95
- Pharmaceutical literature, origins of in China, 111
- Platelet release:
 - induced by Yunnan Bai Yao, 271
- Platelets:
 - effects of Yunnan Bai Yao upon, 169
- Psychiatric patients:
 - use of low intensity electrical stimulation to the auricles of, 275
- Psychiatry:
 - electro-acupuncture treatment in, 85
- Rat Brain:
 - effect of acupuncture on tissue oxygenation in, 147
- San-ch'i ginseng, 139
- Saponins and sapogenins of ginseng, 127
- Scalp acupuncture in China, 101
- Schizophrenia:
 - acupuncture therapeutics in treatment of, 181
- Selected bibliography, 197
- Shen-nung*, 111
- Shen-nung pen-ts'ao ching*, 211
- Siberian ginseng, 139
- T'ao hung-ching*, 220, 229
- Thermal pain and acupuncture, 282
- Tissue-oxygenation:
 - effect of acupuncture upon, in the rat brain, 147
- Tun-huang*, fragment of, 228
- World Health Organization (WHO) and traditional medicine, 190
- Yunnan Bai Yao:
 - effects of upon blood platelets, 169
 - hemostatic effects in rats and rabbits, 155
 - inducement of platelet release in suspensions of washed platelets by, 271
